The Eagle Township Trustees met in regular session on May 30, 2019. All board members were present. Guest included Lonnie Betts, Dustin & Tammy Adams , and Llyod and Ki Caskey.

Mr. Jeff Elkins opened the meeting.
The minutes were read and approved.

Mr. Lonnie Betts approached the board of trustees on behalf of the US Postal Service. He says the road conditions in Eagle Township are making it hard for him to do his mail route on time and also the wear and tear on his vehicle. Roads in question are Stevens Branch , Dixon Mill, Gearing Ridge, and Wilt rd. Trustees advised they are working on all roads. Mr. Elkins asked Mr. Betts which road he thought was the worst. Mr. Betts told them Stevens Branch was the worst one he travels. Mr. Elkins advised Betts that they would work on the big pot holes on roads in question and try to have them filled by the next meeting on June 27th. He also gave Mr. Betts his phone number and told him if anything came up on roads in the township to please contact him. Fiscal Officer sent letter to post master on the agreement to work on the big pot holes and have filled within 30 days.

Mr. Adams approached the board with concerns of his property located on Mc Gee rd. At this time he is parking on Wilt Rd. and walking to his property. His concern is that the right of way to the road is being blocked by Mr. Caskeys vehicles . He would like a center line survey done on McGee rd at Wilt rd. to verify where the correct entry to McGee Rd is. Mr. Elkins advised him he would need to get a petition and give to the commissioners and engineers. Mr. Caskey spoke up saying that it is his driveway and does not block any entrance. Mr. Caskey believes the entrance is down the road from his residence. He proceeded to tell Mr. Adams he can drive in his yard if he needed to get through to Wilt rd. if he couldn't get through. Trustees advised Mr. Caskey he was not allowed to block the entrance with his vehicles. Mr. Elkins then makes a motion for the township trustees to request a center line survey to have this taken care of. Mr. Vanover and Mr. Channell were both in agreement.
